

Coming October 10th!

A Special Advertising Opportunity

Promote your business in our RI Healthcare special section and reach readers searching for educational opportunities and information.

The Providence Journal's RI Healthcare special section is a tab-sized publication that provides in-depth news stories about Rhode Island's medical and health environment. The RI Healthcare special section is distributed in weekday editions of The Providence Journal newspaper and online in our digital eEdition.

The RI Healthcare special section will be available Thursday, October 10, 2013. Reserve your advertising space today and gain exposure to thousands of readers who turn to The Providence Journal as their primary source for news, information and events that are happening in our health related businesses, hospitals and medical facilities. Don't miss out.

To advertise in this section, please contact your sales representative or Dan Maguire at 401-277-7432 or at dmaguire@providencejournal.com
